

Tell us what's going on in health and care services where you live. We want to hear the good and the bad. We will tell services about your experiences of health and care and hold them to account. We're independent, transparent and accountable and we're powerful - we have the strength of the law and the national influence of Healthwatch England behind us.

DORSET

Your Voice...

Body Positive Dorset is collaborating with Healthwatch Dorset to make sure your voice is heard!

We want to hear your stories about using Health & Care services - both good and bad.

Healthwatch is an independent body who have the power to advocate for changes in the NHS.

Healthwatch can help us to ensure our HIV Education Program reaches Health and Care Workers

Please complete your story and hand it back to Jonny or anonymously in the suggestions box in the lounge
